

INTEGRATIVE AND FUNCTIONAL NUTRITION ACADEMY™

Former Q&A Discussion Videos

The Q&A discussion videos will no longer be included in the course materials; however, here are the links for your enrichment.

TRACK 1

Module 1

To access the video visit: <https://vimeo.com/204957918>

The case-sensitive password for the video is IFNAQ&AT1M1

Module 2

To access the video visit: <https://vimeo.com/204958990>

The case-sensitive password for the video is IFNAQ&AT1M2

Module 3

To access the video visit: <https://vimeo.com/204959103>

The case-sensitive password for the video is IFNAQ&AT1M3

Module 4

To access the video visit: <https://vimeo.com/204959313>

The case-sensitive password for the video is IFNAQ&AT1M4

Module 5

To access the video visit: <https://vimeo.com/204959348>

The case-sensitive password for the video is IFNAQ&AT1M5

Module 6

To access the video visit: <https://vimeo.com/204959591>

The case-sensitive password for the video is IFNAQ&AT1M6

TRACK 2

Module 1

To access the video visit: <https://vimeo.com/212609507>

The case-sensitive password for the video is IFNAQ&AT2M1

Module 2

To access the video visit: <https://vimeo.com/211589496>

The case-sensitive password for the video is IFNAQ&AT2M2

Module 3

To access the video visit: <https://vimeo.com/211598303>

The case-sensitive password for the video is IFNAQ&AT2M3

Module 4

To access the video visit: <https://vimeo.com/211603469>

The case-sensitive password for the video is IFNAQ&AT2M4

Module 5

To access the video visit: <https://vimeo.com/211609271>

The case-sensitive password for the video is IFNAQ&AT2M5

Module 6

To access the video visit: <https://vimeo.com/212606675>

The case-sensitive password for the video is IFNAQ&AT2M6

Module 7

To access the video visit: <https://vimeo.com/212589139>

The case-sensitive password for the video is IFNAQ&AT2M7

Module 8

To access the video visit: <https://vimeo.com/212613241>

The case-sensitive password for the video is IFNAQ&AT2M8

Module 9

To access the video visit: <https://vimeo.com/212616883>

The case-sensitive password for the video is IFNAQ&AT2M9

TRACK 3

Module 1

To access the video visit: <https://vimeo.com/207045414>

The case-sensitive password for the video is IFNAQ&AT3M1

Module 2

To access the video visit: <https://vimeo.com/207057615>

The case-sensitive password for the video is IFNAQ&AT3M2

Module 3

To access the video visit: <https://vimeo.com/208153493>

The case-sensitive password for the video is IFNAQ&AT3M3

Module 4

To access the video visit: <https://vimeo.com/209222040>

The case-sensitive password for the video is IFNAQ&AT3M4

Module 5

To access the video visit: <https://vimeo.com/211253625>

The case-sensitive password for the video is IFNAQ&AT3M5

Module 6

To access the video visit: <https://vimeo.com/212532375>

The case-sensitive password for the video is IFNAQ&AT3M6

Module 7

To access the video visit: <https://vimeo.com/212660318>

The case-sensitive password for the video is IFNAQ&AT3M7

TRACK 4

Module 1

To access the video visit: <https://vimeo.com/215573508>

The case-sensitive password for the video is IFNAQ&ATEDM1

Module 2

To access the video visit: <https://vimeo.com/215576482>

The case-sensitive password for the video is IFNAQ&ATEDM2

Module 3

To access the video visit: <https://vimeo.com/215578673>

The case-sensitive password for the video is IFNAQ&ATEDM3

Module 4

To access the video visit: <https://vimeo.com/215580476>

The case-sensitive password for the video is IFNAQ&ATEDM4

Module 5

To access the video visit: <https://vimeo.com/215583163>

The case-sensitive password for the video is IFNAQ&ATEDM5

Module 6

To access the video visit: <https://vimeo.com/215584942>

The case-sensitive password for the video is IFNAQ&ATEDM6

TRACK 5

Module 1

To access the video visit: <https://vimeo.com/209295879>

The case-sensitive password for the video is IFNAQ&ACSIM1

Module 2

To access the video visit: <https://vimeo.com/208556826>

The case-sensitive password for the video is IFNAQ&ACSIM2

Module 3

To access the video visit: <https://vimeo.com/209308487>

The case-sensitive password for the video is IFNAQ&ACSIM3

Module 4

To access the video visit: <https://vimeo.com/209409322>

The case-sensitive password for the video is IFNAQ&ACSIM4

Module 5

To access the video visit: <https://vimeo.com/209324574>

The case-sensitive password for the video is IFNAQ&ACSIM5

Pearls & Perspectives videos

The Pearls & Perspectives videos will no longer be included in the course materials; however, here are the links for your enrichment.

Track 1: <https://www.ifnacademy.com/wp-content/uploads/2016/09/Track-1-Pearls-and-Perspectives.mp4>

Track 2: <https://www.ifnacademy.com/wp-content/uploads/2016/12/Track-2-Pearls-and-Perspectives.mp4>

Track 3: <https://www.ifnacademy.com/wp-content/uploads/2017/03/Track-3-Pearls-and-Perspectives-.mp4>

Track 4: <https://www.ifnacademy.com/wp-content/uploads/2017/01/Track-4-TED-Track-Pearls-and-Perspectives-.mp4>

Track 5: <https://www.ifnacademy.com/wp-content/uploads/2017/03/Track-5-CSI-Pearls-and-Perspectives-2017.mp4>

Please note: the information that was included in the Q&A discussion videos and Pearls & Perspectives videos has never been and will never be part of any quiz or exam questions at IFNA. They were strictly for enrichment purposes.

Former Presentation Videos

The former presentation videos will no longer be available in the course shell; however, here are the links to select modules for your enrichment.

Track 1

Module 3 - Food as Medicine: Origins, Healing Foods and Dietary Therapies with John Bagnulo, PhD, MPH

To access the video visit: <https://vimeo.com/204833244>

The case-sensitive password for the video is IFNAT1M3

Track 2

Module 1 – Gut Related Disorders with Tracy Konoske, MS, RDN

To access the video visit: <https://vimeo.com/211575368>

The case-sensitive password for the video is IFNAT2M1

Module 5- An Integrative and Functional Nutrition Approach to Obesity and Weight Management with Mark Pettus, MD

To access the video visit: <https://vimeo.com/211606740>

The case-sensitive password for the video is IFNAT2M5
